

Steel Days

Interested in learning more about a career in structural steel fabrication? Crystal Steel Fabricators Inc. is excited to connect with you in our shop on October 3, 2024.

Reach out to Justin Mixon at jmixon@crystalsteel.net to RSVP

9am-6pm
1011 Frank Adams Industrial Pkwy
Federalsburg, MD 21632

Crystal Steel will be hosting an AISC SteelDays event jointly with the American Welding Society (AWS). The Careers in Welding mobile exhibit will be on-site holding a virtual welding contest using simulators and **AWS will be awarding a \$1,000 scholarship** to the winner of the contest. Additionally, there will be facility tours, and representatives from Miller and Lincoln Electric showing off new technologies.

Smarter.
Stronger.
Steel.

American Welding Society
